CRISS for Parents flipbook

Now's a great time for a CRISS for Parents workshop for Spanish-speaking parents!

Your parents want tools to help their students. They might not know your course content, but they can support your instruction of learning process.

What is CRISS for Parents?

This reference is a full color, Spanish language flipbook that includes an overview of the CRISS Principles and Philosophy, explanations and examples of over 16 of our most popular strategies and adaptations of strategies (discussion, organizational, formal and informal writing, and vocabulary). This tool is a great help for Spanish-speaking parents working with their students.
